## Rapid Pull Ring Seal - High Temp Rubber

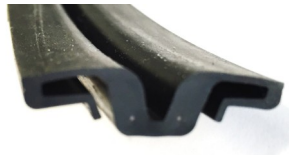

ADS's High Temperature Seal is made out of Silicon rubber and the profile suits our standard Rapid Pull Ring System.

Silicon rubber exhibits exceptionally good resistance to sunlight and can be used outdoors.

**Temperature resistance: 200 deg C**

## Rapid Pull Ring Seal - Black Rubber

ADS's Black Rubber Seal is made out of EPDM rubber and the profile suits our standard Rapid Pull Ring System.

These seals provide a tight connection for minimal air leakage and stable strength to the duct system. They also ensure the electric conductivity of the connection

**Temperature resistance: 80 deg C**
